1	W. Kelm and D. Somerville were deith Caledrian players
	(). Stuart is noted as bowling underhands . He was a worthy member of
	Nat Watt's hamber - the PHS IN TO of that time - and the father of two future
	myby caps, one of whom (c) steart ri) is still alive in 1977.
	6. Miner, last years colt and slow bowler, has returned from London.
	In Fullanton was capotain of the A. XI.
	The Annual Dunner was held on 29 Nov. 83. It was noted that the best
A .	P.P. batsman was Ton Johnston who tokeled 497 mm at an average
	of 35.7, with 2 contrines; an indecation of what was to come as he
	was probably the best bat to crone out of the school.
