RHS. FP. 2208 runs : 171 wickets : Average 12.9

Opponents 2928 runs : 204 wickets : Average 14.3

In the E.A. game there was trouble over the RHS. total; the E.A. scorer only got 33 and neither side was inclined to give way. The E.A. Secy. wrote a letter to the S.A. Inland on the matter. There was a difference of opinion over the value of a stroke which rebounded off the boundary wall.

A good few outsiders appeared in teams this season: G.A. McNeill - Carlton ;
 W. Helm - Leith Cal. ; J Henderson - Leith Cal. ; W Thompson - Brunswick ;
 A H. Smith - Edin. Univ. .. this I suspect is J. Macdonald, as he is described as the
 University crack ; D. Somerville - Leith Cal. ; Howell - the Watsonian professional .

I have included the figures for the Vet. College match although the game is not
 mentioned in King's Annual .
