I have a note that the RT V. Soula at Holyrood in the last makeh of the season was photographed in front of the Pavilion. This was the makeh where II. Trother won the afferir with 5 whiches in 5 balls. The ball was presented to him, suitably inscribed and in 1961 I know that it was in the hands of the widow of his nepther Frank M. Trother who died in 1960.

The Club professional was firstly Hind who varioled at The end of June and Ellis appeared in early July.

I understand that QR. Gobson, known as a very powerful Scotlind myby frozend, bowled with some speed bout appearently II. Trotler at This time was really fast and sometimes dangerous.
