I have included the data for the opening game v Burntisland although it was labelled scratch.

The bowling average marked in red are taken from the published averages which did not include Burntisland

I have not included data for the Albion match, the cutting for which was not preserved in FJ. Trotter's scrapbook. It was also labelled as scratch in Forsyth's other fixture lists. This was in my report 1956-1968 was always a 2nd XI fixture.
